

## **Advocating for Archives and Special Collections**

Do you need new ideas on how to attract scarce resources to support the archives and special collections program at your institution? Join Northwest Digital Archives at a forum on March 22, 2012, from 9 a.m. to 11:30 a.m. at the White Stag Building in Portland, Oregon, to build your skills for effective program advocacy and find out what has brought others good results. Participants from the NHPRC-supported “Supporting and Building Emergent Archival Programs in the Northwest” will, in collaboration with attendees, share practical tips, provide high-level analysis of more and less effective strategies, discuss challenges, and build skills. There is no cost to attend. For more information, contact Jodi Allison-Bunnell, Northwest Digital Archives Program Manager, Orbis Cascade Alliance, 406-829-6528, [jodiab@uoregon.edu](mailto:jodiab@uoregon.edu) .
